Welcome to the California State Racquetball Association (CSRA) newsletter, an electronic publication produced quarterly (March, June, September, and December).

Our goal is to include articles with useful and timely information for the California Racquetball community. We want to provide you with valuable information so please let us know what you would like to read about and see in your Newsletter. For instance, do you have a club you think is terrific and would like to have highlighted? Do you have helpful hints you would like to let other players know about? Do you have a question for the Pro or coach? Send your questions and suggestions to Brian Dixon at Bri@Jupe.com....Enjoy!

### President's report

Now that the winter holidays are over and I am sure we all over-indulged, it is time to pick up our racquets

and step up the game!!!

We started off the year with the 2010 Coast to Coast Pro Stop in Southern California. Leagues, one-day shoot-outs and full tournaments are all back in the swing of things – sorry for the pun!!

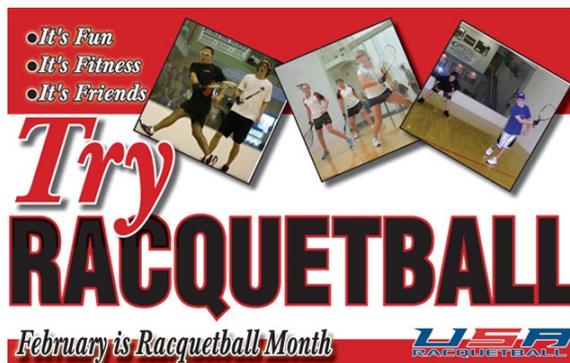

Take a look at the CSRA calendar for all kinds of events leading up to the USAR National Doubles Championships, February in AZ and the 2010 Racquetball Warehouse CSRA State Singles Championships in March.

easily adaptable to your club's existing programs or serve as a guide/template to introduce racquetball to members. Posters, Banners, Flyers, Postcards & Club Membership Promotions are all ready to use by inserting your clubs information. Please take a few minutes and visit the USRA.org site and click the Racquetball Month link from the story on the front page there are some compelling facts as to why Racquetball should be a part of nearly everyone's fitness routine! Those of you

who are in charge of your racquetball programs will find some fresh ways to reach members, those of you who have been thinking of getting involved – here is an easy first step to build a program and gain support of your club managers and club owners.

**FEBRUARY is National Racquetball Month!!** The USAR and Connie Martin – programmer extraordinaire – have work very hard on a 4 part racquetball awareness campaign that is

### Patriot Outreach

### NorCal Report

2009 was a tremendously successful year with nearly a dozen One Day Shootouts. Seven of the events were fundraiser's for Jody Nance's kids and the recent Toys for Tots event. We must salute you Larry Steiner for your idea and implementation of these One Day shootouts. We also need to thank you Mike Lippit for your generous contributions and assistance in supporting both the State, Juniors and Toys For Tots events this past year.

We are encouraging club owners to participate in these One Day Shootouts.

We are finding out that that there is both mis information and a lack of information that is being expressed. We need your help in approaching your club management and inquire if they have an interest in speaking to the State to better inform them and answer their questions. Please print out our State newsletter to your club management, to your racquetball buddies and recreational players. Spread the word and thank you!!

At my inquiry two years ago the CSRA has unanimously voted and is supporting Patriot Outreach. Patriot Outreach is a 501 c3 tax exempt non-profit foundation. The founder, Colonel Monaco and I are working diligently to ensure that every warrior has access to "Coping Strategies".

Simply put, Patriot Outreach offers free to all military warriors, government civilians, battlefield contractors, veterans, retirees and family . and family members a "Coping Strategies" CD which enables you to recover from P.T.S.D. It is so incredibly effective that Dr. George Hayter, M.D. Psychiatrist and Diplomate of the American Board of Psychiatry and Neurology endorses it by saying, " the exercise is the only program of self-therapy which achieves the desired end-state of therapy, to lessen the dependence on the therapist- the goal is self awareness. Also, he states, "it's the only approach that I have ever seen in ther whole field of psychology which allows you to become independent, competent, and effective".

Chaplan [LTC], US Army [Southern Baptist}  
"The Be Still and Know Exercise works for me. It calms my soul, enhances my thinking, and improves my emotional regulation. I am thankful to be a more resilient Chaplan."

Fort Hood has ordered 2000 CD's with their recent

catastrophic incident. Over 6000 cd's have been sent to the 82nd Airborne. To date there has been 60,000 Cd's that have been sent out to the military all over the world.

In conjunction with this at ALL of the MRF Military Racquetball Federation tournaments we are also providing complimentary CD's in their goody bags. We have sent cd's to Fort Hood which recently hosted a racquetball tournament and also to Iraq which hosted an event. Peggine Tellez and Jack Hughes and are the backbone of this new non profit along with Steve Harper and Hank Marcus. We salute you and thank you for your tremendous efforts!!

Golaith Pictures has reached an agreement with Patriot Outreach to produce a documentary film that will showcase the many needs and hardships of America's servicemen and women.

We are saving lives, if you or your loved ones has any questions please contact me at:

## Toys for Tots in San Ramon

On December 12<sup>th</sup> Club Sport San Ramon graciously hosted a Toys for Tots Charity Christmas Tournament to support the US Marine Corps and San Ramon Valley Fire Protection District. With the help of CRPT pros Gerry Price and Cliff Swain, Club Sport and touring pro Angela Grisar and Club Sport and NMRA/CSRA member Mike Lippitt, and under the auspicious of the California State Racquetball Association, this event amassed over 350 unwrapped

toys in addition to well over \$1000 to support Toys for Tots. It was truly an unqualified success! Pictured are the toys under three trees along with representatives from CS-SR, the US Marines, the SRV Fire Protection District, Gerry Price and Cliff Swain, and Mike Lippitt holding Maddox Price.

## Womens Event...

Thank you all for coming on time and most people arrived 30 minutes ahead of game time. We only have one person who couldn't make it to the event. Many of you have brought goodies to this event: various fruits, home-made muffin, energy drink, energy bars, and tuna sandwiches.

**Garyn Scott (Scott):** Scott has made all the arrangements with the club so we had no trouble to get in for free. He was there an hour ahead of the game time working with me to set up the event tables and he stayed until the end. In addition, Scott offered one free lesson to each of the players today (see attendance below).

**Elaine Dexter and Ken Stone:** They had already gone through extensive worked out in the morning but they still came to our afternoon event. When Elaine knew we were missing a person to play doubles, she jumped in and played matches with both C and B players. As an open player and the director of the Pleasanton Club Sport RB Program, Elaine has definitely demonstrated her leadership and her sincerity of promoting women's racquetball. What a role model for us to follow!

**John and Dave Ellis:** they helped me with arranging

the matches / draws. Since we didn't pay R2 Sport a fee to use their software, we used Dave Ellis' "Old Fashion" way to create our draws.

**Steve Cook:** As the Director of Team Ektelon Nor Cal/Nevada ERA, he sponsored us with the Ektelon game balls.

**Pauline Kobata and Kim:** Pauline and Kim had personal commitment in the afternoon but they still found time to drop by and to say hello to everyone.

**Survey:** thank you for completing the survey at the event. For those who couldn't make to the event, please kindly complete the attached survey and email to me. Scott and I are consolidating all your wonderful ideas about how to host a better/most successful events in the future.

**Team Pictures:** see attached.

**Event Participants:** *Elaine Dexter, Janice Murphy, Louise Doran, Patti Burg, Cece Moore, Bonnie Halperin, Helga Beyer, Tania shanrock, Monika Yamaoka, Beth Yezdi, Ann Segovia, Karen Thomas, SoLan Mui, Vivian Cusi, Spring Chen, Sharon Braden, Jenny Kwon, Rose Navarro, Coleen Nadvornik, Jimia Boutouba, and Michelle Yang*

Please continue to play and encourage others – please let me know their email addresses so that I can add them to our distribution list. Our events are always open to all levels of women players. In the future, we could consider having mixed doubles since there are a lot of men who would like to support us!

Michelle

**Women's Professional  
Racquetball Organization  
Stockton Tier I Tournament - Get  
Set  
By Dave Ellis, Deputy  
Commissioner, WPRO**

The Women's Professional Racquetball Organization (WPRO) will be coming to California, April 22 - 25 of 2010. One of the most exciting shows in racquetball right now is the rivalry that has developed over the last two years on the women's professional tour between Rhonda Rajsich and Paola Longoria Lopez. During the Racquetball Warehouse sponsored Tier I stop in April of 2009, Paola moved into the number one ranking position by defeating Cheryl Gudinas in the semi finals while Rhonda lost to Kristen Bellows. In October of 2009, Rhonda regained the number one ranking by defeating Paola in the finals of the US Open. Paola now is on fire having defeated Rhonda in successive Tier 1 stops in North Carolina and Virginia, and she has thus moved back into the number one position. The competition between the two young ladies promises to go down to the wire with the WPRO Stockton Tier I stop in April being of critical importance for determining the coveted year end number one ranking.

WPRO play will start on Thursday evening with pro qualifying and a pro am sponsor doubles event, where the top 8 ladies will be paired with key tournament supporters. The pro round of 32 will occur Friday morning and the round of 16 will follow on Friday afternoon and evening. The quarters and semi finals are on Saturday with the finals at 12 noon on Sunday. In-Shape: West Lane will be the main club with In-Shape: Quail Lakes being used as needed. The host hotel, the Ramada Inn, will have a very inviting rate of \$69 + Tax per night, and it is located only a few blocks from the main venue. One of the highlights will be a Latin Style party starting at 7 pm Saturday night with music non-stop until 12 midnight. The party will be hosted by the Ellis' with their newly constructed Panama style pavilion serving as the dance floor. You are strongly urged to come to Stockton on Thursday and stay over until

Sunday so that you can enjoy the all of the exciting women's professional play.

Besides moving into the WPRO tour in such a spectacular fashion, Paola had one of the best junior careers ever, winning world championships 8 times. She is also a three time Mexican National Singles Champion. Paola won the 2008 US Open Championship. Rhonda Rajsich is the current IRF World Champion and a three time US Open Champion. She has won the USAR National Singles three time and she has finished number one on the WPRO tour three times. Off the court, the ladies are good friends, but on the court, the competition is fierce.

Other notables in the top eight of the WPRO tour are former US Open Champions, Keri Wachtel and Cheryl Gudinas. Also in the top eight are Adrienne Fisher, former junior world champion and four time collegiate national champion, as well as Canada's number one player, Jennifer Saunders. In the 2008 edition of the Stockton

tournament, Kristen Bellows won her first professional tournament by defeating Paola in an exciting five game final. Kristen is currently ranked number five, and she will be here in California looking to defend her title.

In addition to the ladies professional event, there will be a full slate of amateur events, guaranteed to be hotly contested. The men's open category should be very exciting with Tournament Director John Ellis and local pro Jose Rojas in the draw. Many of the other categories will follow either the round robin or pool play format which is guaranteed to keep participants playing more than the normal single elimination divisions.

We are dedicated to promoting women's racquetball and we ask all of you Californians to join with us in making the 2010 Stockton WPRO Tier I stop even bigger and more exciting than the 2009 edition. The show last year was fantastic with both semis and the finals being tense five game matches. We can all look forward to that famous Stockton hospitality throughout the tournament. Get the dates, April 22 - 25 down on your calendar and get set to enjoy one of your best racquetball weekends ever.

## Club of the Month.....

### Featured Club: Spectrum Club Canoga Park

This full service athletic facility has 20 racquetball courts, originally built with 25, and is one of 3 clubs in Southern California with 12 or more courts. In addition racquetball, this club has full court basketball, group exercise room, full size pool and stellar amenities in their recently remodeled locker rooms. Steam, sauna and waterfall feature Jacuzzi in both the men's and women's spacious locker rooms make this a place to really pamper yourself after your athletic endeavors.

The racquetball program is run by Debbie Tisinger-Moore. She and Randy Lam make up the "President's Award" winning, tournament running duo that folks have come flocking to. And there have been lots of tournaments over the years. The Tournament of Terror recently celebrated its 20<sup>th</sup> year, with 157 participants over 3 days, and the shirts from this event have become collector's items!

This club has played host to several National Masters, Women's Senior Master's, USAR Regional and State Championships and presents the annual Wilson Hope – Racquet for the Cure Women's event each August with tremendous Ladies Pro support.

**California has 3 WORLD  
Champions and brings home 5  
gold and 1 silver medal.  
\*\* Junior Worlds \*\***

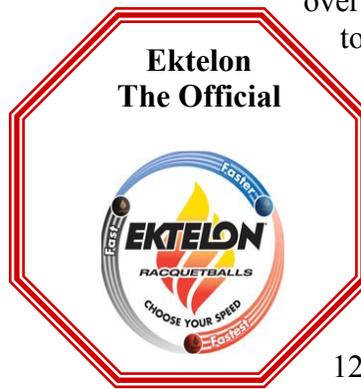

Approximately 240 athletes representing 16 different countries competed in the most prestigious junior racquetball event of the year. California's José Rojas (18 singles and doubles), Aubrey O'Brian (16 singles and 18 doubles) and José Serrano (18 doubles) are all crowned world champions and Markie Rojas wins silver in 16 singles.

What a trip to Santo Domingo, Dominican Republic! California should be very proud of their constituents that represented not only us but the United States in dominating fashion! Their performances were key to the United States team victory becoming best in the World for two consecutive years.

It was a good thing we arrived a couple days before the tournament! Between the 4 hour time change and the 40-50° weather difference the adjustment time was crucial! The other necessary adjustment was to the crazy driving we experienced.

Pool play placed most of CA athletes in the most optimal positions in the draw. Even still there were many talented players to contend with along the way.

In singles neither Josie nor Aubrey lost a single game along the way to gold. In the boys 18 finals, Josie beat Cardona of MX (7, 12.) Jose played in California kid style with a solid array of winning shots and great gets. With partner José Serrano, the 18 doubles team beat Ecuador (4, 7) in the finals. José Serrano played a strong, solid right side. His size and shot execution were lethal to opponents. Aubrey beat Rascon of MX (11, 7) in the 16 finals. She played with smooth Aubrey style mixing up her shots never allowing her opponents any comfort. With partner Danielle Key, they beat Bolivia (-13, 8, 0) in the 18 doubles. Markie only lost one game to Canada along the way to his tie breaker loss (4, -13, -2) in the finals to Carlos Keller of Bolivia. José Diaz' demise was also at the hands of Keller in a close (13, 12) match in the quarter finals. Devon Pimentelli had a strong win

over Canada in the round of 32, but lost a tough match in the quarter finals to finalist Rascon of MX (10, 9.)

Our kids showed great determination, great team spirit and true sportsmanship. There was a bit of sadness to know that it was Josie's last year as a junior. His career has been lined with gold. Josie has 16 career Junior National wins and 12 Junior World Championship wins. He is a true competitor mostly due to his strong determination, outstanding work ethic and desire to be the best. He has had great support from his family, and all those who contributed to his game over the years. He was the USA team captain and was referred as the lion leader as he was quiet but strong and commanded reverence. Both Josie and José Serrano move out of the junior ranks but have strong futures in our beloved sport of racquetball.

I wanted to thank everyone who organized and contributed to the junior fundraisers that helped get these superior athletes to this honorable competition representing California and the United States of America.

Sincerely,

**Jody Nance, coach/friend/family**

## Junior Racquetball by Brian Dixon

A few things we are working on:

1. **High School**— We are working on more programs for the High School age players. As we discuss this with Athletic Directors at schools certain issues continue to come up. One approach we are looking at is more from a Grass Roots attack. We want to look at establishing High School aged classes/challenge courts/drop ins at different clubs.. Two things we are looking for: Clubs willing to set the time away for this and also volunteers who can help with coaching/supervising. Please let me know if you are available or have a club willing to participate. Best is my e-mail (Bri@Jupe.com).

2. **Junior Only One-Days**—The open One-Day events have become very popular, and we wish to establish some regular one-days for Juniors only. There are some existing which we would like to convert to a sanctioned event, and we would like to look at establishing some new ones. These one-days can lead up to the state championship as there will be ranking points attained at the events etc..If you are interested in hosting a Junior one-day, please let me know (Bri@Jupe.com)

3. **Programs**—We are looking to develop a plan for clubs/program directors to set up and run a junior program. A “How to...” guide will be developed based on feedback from others who have established successful Junior programs. Establishing junior programs has many benefits: For the players, it introduces them to a game that may have seemed intimidating from the outside, but is a lot easier when learning with a group of others their same age; Junior Racquetball is a great cross trainer for baseball, football, basketball, soccer etc.; Families see the value of the game giving membership an added value; Clubs can have courts busy, during non-prime hours.....If you have some input into what you would like to see in a guide that will be developed, please let me know ([Bri@Jupe.com](mailto:Bri@Jupe.com))

4. **Junior State Championships** – Scheduled for May 1-2 at Clubsport Pleasanton. Mark your calendars and plan to attend this fun event..Information to be available on the website soon.

## 2009 Senior Olympics

The National Senior Games Association brought the 2009 Summer Senior Games to the California Bay Area this past August. Approximately 12,000 50+ athletes came to Stanford University from all across the country to take part in the multi sport event. Two weeks of activities and competition began

with a torch lighting ceremony. There was an athletes’ village on Stanford campus with sponsor and food booths, daily seminars, fitness classes, special activities and evening outdoor concerts. Mid way through the games there was a spectacular “Celebration of Athletes” with entertainment, presentation of state flags, Hall of Fame awards and many inspirational and humorous moments which included several Bay Area Olympic Champions and local celebrities. All participants were required to qualify for each event by placing in the top three at a regional and then a state or other approved event. The racquetball competition began the second week with one hundred and eighty seniors (43 from California) participating. Three venues, Stanford’s Ford Center, the Palo Alto Mid-Peninsula YMCA and Sunnyvale Supreme Court were needed to host twenty-three Men’s/Women’s singles and doubles events. Californians took home 20 gold, 7 silver and 8 bronze medals. Gil Cepeda , Ricardo Balderas , Dave Briski, Merijeane Kelley and Marquita Molina were double gold winners .

Congratulations to all of California’s Medal winners!
